

## New Guest Registration

Thank you for your interest in our resort. In order to register your pet for his or her vacation, we need some information from you. We offer two different ways of registering:

- You can fill out this form and fax it back to us at (310)539-9151.
- You can register online at [www.kennelclubresort.com](http://www.kennelclubresort.com). Click on the link for Reservations.

We will need to see your pet's vaccination information. We regret that we cannot take any puppy or kitten under 4 months of age. For puppies and kittens, we do require that they have completed their vaccines. Puppies need to have had the bordetella vaccine at least twice if they are under 9 months old. Please call us with any questions you may have about our vaccine policy.
